CELEBRATING INSPIRATIONAL DESIGN AND PERSONAL STYLE

SPACES WE LOVE

This special living room designed by Charlotte Lucas is colorful, sophisticated and oh-so-pretty. Plain and simple, we love this space.

Layered rugs create an intimate feel and subtle drapes add softness alongside the grasscloth and dark trim. "My client found this great vintage sofa at an estate sale, which we re-covered in a warm velvet with a contrast trim around the base of the skirt," explains Charlotte. Pink artwork from Gregg Irby Fine Art Gallery in Atlanta, added a pop of color, bringing high contrast to the dark blues of the room.

"The room felt large with its tall ceilings, so we used the dark navy trim and grasscloth to make it cozy while adding texture."
